Authors state use this guide at your own risk, does it mean there is a risk and authors would not take responsibility? Yes there is a risk to upgrade, in particular for notebooks that already have overheated issue, mostly Model level 2 and level 3.. Windows 7 Upgrade FAQ1 Why is this guide posted? The main reason is to help HP- Compaq notebook owners.. Is this guide part of unofficial HP support? Authors are never as part of HP support team or even HP employee.
