Also found that the metal ejection cover was later replaced after 1969 to a black plastic one.. a non-profit organization There are a number of factors which would drive this - whether the rifle has been modified from its military configuration i.. The 740 was only made 1955-1960 so it is pretty easy-1955 was a B and it goes up a letter each year thus ending with G for 1960.. g Easy to smooth up the action and make it really slick Only the 35 Whalen 760s have more punch but less utility where the low power cast bullet practice loads are concerned.
